

# International Peace Poster Project Planning grid to assist new clubs to this Youth Project

## Possible steps and actions

- 1 Request **contest pack** from Peace Poster Coordinator - now ready for distribution.
- 2 Discuss at club level .
- 3 Appoint a Peace Poster link person in your club.
- 4 Make contact with local primary/secondary schools/youth groups. Head of Art Department is ideal in secondary schools.
- 5 Give school copy of contest rules and conditions.
- 6 Set clear deadline dates for your club to collect posters from schools. Recommend just before Halloween Mid Term break.
- 7 Arrange judging at local level as per contest rules.
- 8 Send your club winning Poster to DG by date set on contest rules. After judging, print off certificates for school and student . The certificates look great if framed.
- 9 Return to the school to present certificates. It is also a good idea to have an Art related prize for the winner in each school.
- 10 Another good idea is to have a display of Poster entries in local library or Art centre.
- 11 Cost of pack is €18 and you send payment for it to District Treasurer clearly marked International Peace Poster after ordering your pack.
- 12 Good luck and enjoy this lovely youth project.
